We invite you to be part of the Cuisine for Art Live and Silent Auction. All proceeds support the Create More Art initiative to expand art education and cultural experiences to the South Florida community.

Cuisine for Art advances the mission of the Art and Culture Center/Hollywood to cultivate creativity and the support of the arts in our community through education, innovation, and collaboration. Cuisine for Art is a dinner and auction event that engages our Elected Officials and Community Leaders as Celebrity Waiters and to honor valued Center Partners and raise much needed funds for arts education programming.

The Center promotes excellence in the visual and performing arts via contemporary gallery exhibitions, stage performances, documentary films, artist talks, and educational programs that reflect the highest standards of artistry and diversity. Founded in 1975, the Center is the third oldest arts non-profit in Broward County.

Attached you will find the Auction Donation Form. We hope that you will help us raise funds for this worthy endeavor through a generous package, experience or item donation.

Thanks to art, instead of seeing a single world, our own, we see it multiply until we have before us as many worlds as there are original artists. – Marcel Proust

We appreciate your thoughtful consideration to participate, advocate and learn more about the Center!
